

STOP THE PRESS!

PRESSROOM is a bar with a story.

Not just any story; the first page dates back to 1904 when our building became the base of Dutch newspaper 'De Tijd'. Breaking news was printed right where you are currently sitting!

With a history like that, it's no surprise PRESSROOM is still a place 'where stories are yet to be written'.

Our bartenders still write stories daily for example on our signature INKredible cocktail; handwritten goodness with drops of real ink on top.
