"STOP THE PRESS!"

PRESSROOM is a bar with a story.
Not just any story; the first page dates
back to 1904 when our building became
the base of Dutch newspaper 'De Tijd'.
Breaking news was printed right where
you are currently sitting!

With a history like that, it's no
surprise PRESSROOM is still a place
'where stories are yet to be written'.
Our bartenders still write stories daily
for example on our signature INKredible
cocktail; handwritten goodness with
drops of real ink on top.
